2024 SPRING ATHLETIC DETAILS

Please contact the coach if you have any additional questions about the sport or REMIND.

Physicals and Consent Form

All athletes must have all physical and consent forms, current and completed, on file with the athletic office prior to trying out. Athletic forms can be found [here](#).

Please contact athletic trainer Heidi Pieper (heidi.pieper@ashevillechristian.org) with questions about physicals.

Remind Communication

REMIND is our communication piece that allows coaches to communicate with families. Please follow the link to the sport your child is participating in, and it will assist you in signing up. *If you signed up in the past, you do not need to sign up again.*

Apparel and Fees

Each team can expect fees. These fees vary from program to program and cover costs such as apparel, hotels for overnight trips, facility rentals, team fees, etc. Fees will be communicated by each coach early in the season.
