INGLES TOOLS FOR SCHOOLS

Provided **\$13,000** worth of school supplies to ACA in 2022-23.

- These funds provided needed equipment upgrades and supplies for the whole school.
- And we only have 40% of ACA families linked!
- Help us do better!
- Email your Ingles card number or a picture of it to ptf@ashevillechristian.org
- **Your number will be re-linked every year in August**
- You do not need to send it in every year unless your number changes.
- Remember Grandparents' and family member's card numbers, too.

Linking your card number to ACA does NOT affect your fuel points or shopping experience in any way.
